Privacy

All members of the GRC, staff assisting the committee and Amgen Canada employees shall treat all applications in-confidence. Applications will be reproduced for purposes of review and program administration only. Information comprising the names of successful applicants, their institutions, and/or titles of their research projects, the grant awarded and amount of that grant will be disclosed at the CANNT AGM annually and may be published in an Amgen Nephrology Research Grants brochure, public relations literature and/or other documents for general distribution. Applicants will be required to sign a release of personal information disclaimer as part of the application process.
